

SafetyMaster Twin provides a functional, low cost solution for restricting access to work or cleaning areas. The lower belt restricts pedestrians from ducking under the belt and makes this product ADA (Americans with Disabilities Act) compliant. This product features a unique two piece post construction which allows the lower belt mechanism to be easily replaced in the field. The Xtra model features a 50% wider belt making a more visible barrier and giving much greater impact to printed logos and messages.

Easy lower cassette replacement

Full circumference floor protector

Available in yellow, orange, and red

► SPECIFICATIONS

Model	Height	Weight	Post OD	Base OD	Belt Width	Belt Lengths
